

COVID-19 Activity Safety Plan

EVENT: Lubbock Lions Club Kidsfish (Sponsored by Cabela's)

LOCATION: Lubbock Parks and Recreation, outdoors at Maxey Park

DATE: April 24, 2020 7AM-1PM

ACTIVITY: Fishing in public waters

There will be major changes implemented this year as a precautionary procedure to reduce the risks of spreading COVID-19. The volunteers and staff at Maxey Community Center will adhere to the Texas Executive Order GA26 and the Lubbock Safe Guidelines throughout the entirety of the activity to create as safe as a setting for employees and participants as possible.

EXTRA PRECAUTIONS FOR THE LISTED ACTIVITY:

I. PEOPLE

A. Physical Distancing. To ensure volunteers and staff comply with physical distancing requirements, we will do the following:

- Ensure 6 ft. distance between volunteers, staff, and participants unless safety or core function of the work activity requires a shorter distance. Any time volunteers and staff that are less than 6 ft. apart from one another must wear acceptable face coverings.
- Temperature checks/wellness screenings for volunteers and staff before the start of event.
- Strongly recommend the use of face coverings for participants, but not required

II. PLACES

A. Protective Equipment. To ensure volunteers and staff comply with protective equipment requirements, we will do the following:

- We will provide volunteers and staff with an acceptable face covering at no-cost to the volunteers and staff
- Limit the sharing of objects and discourage touching of shared surfaces; or, when in contact with shared objects or frequently touched areas, wear gloves (trade-appropriate or medical); or, sanitize or wash hands before and after contact.
- We will sanitize fishing poles every time they are returned.

III. PROCESS

A. Screening. To ensure the volunteers and staff comply with protective equipment requirements, we will do the following:

- Implement mandatory health screening assessment (e.g. questionnaire, temperature check) before volunteers and staff begin to work, asking about (1) COVID-19 symptoms in past 14 days, (2) positive COVID-19 test in past 14 days, and/or (3) close contact with confirmed or suspected COVID-19 case in past 14 days. Assessment responses will be documented.

V. OTHER

- The online only registration will reduce the accumulation of lines and surfaces to be touched. The only lines that may develop will be for poles and bait and we will utilize both Game Wardens and volunteer Lion Club members for line control.
- There will be hand sanitizer stations on both the North and South end of the park for volunteer, staff, and participant use.
